SURPRISES MANY IN HONOLULU

The QUICK action of simple buckthorn bark, glycerine, etc., as mixed in Adler-ika, the remedy which became famous by curing appendicitis, is surprising Honolulu people. Many have found that this simple remedy drains so much foul matter from the system that A SINGLE DOSE relieves constipation, sour stomach and gas on the stomach almost IMMEDIATELY. Adler-ika is the most thorough bowel cleanser ever sold. The Hollister Drug Company, advertisement.

MAUI NEWS

[Special Star-Bulletin Correspondence]

WAILUKU, Maui, May 30.—Plebsite politics goes merrily on in Maui county. Report has it that the residents of Kula are not very favorable to the bond issue, and think that water can be obtained without the great outlay of funds. That something very definite in the way of water supply for Kula is needed, all Maui people who know Kula at all, heartily agree. How it is to be done is the question, and those who favor the issuing of bonds intend to thoroughly convince the county that bonds are the only way to get out of the difficulty.

Four weeks is a short time in which to "educate the public," but the plebsite promotion committee is going at the job systematically and every part of Maui county will be carefully covered. It is stated that Senator Norman Watkins, Geo. R. Carter, Wade Warren Thayer and A. L. C. Atkinson may all be pressed into service on the issue.

Dan Crawford has won for himself a host of friends on Maui during the last three days. He delivered a wonderful address at the meeting held at Union church for the Central Maui ministers on Thursday morning.

In a personal, heart-to-heart talk for two hours after lunch the Maui men received an inspiration that comes once in many years. Thursday night it rained very hard and again on Friday night. In spite of the inclement weather some twenty-five people heard him in Kahului and about sixty at the Wailuku Union church.

His addresses were clear cut and full of wit. His hearers gave him the closest possible attention. He speaks this evening at Maunaloa seminary, Sunday morning at Paia church, Sunday evening at Wailuku. Monday and Tuesday mornings will be spent in brief visits to one or two schools. Tuesday afternoon he will be at Hale Aloha, Lahaina, and in the evening he will address the students at Lahaina.

That a twenty-four hour continuous electric light service is soon to be in operation is a welcome piece of news to Maui people. The enterprise of Robert E. Bond in installing a new engine and generator by the first of July will make possible a better accommodation for the consuming public. The increased use of electricity in Wailuku and Kahului for all purposes has been a constant surprise to all Maui people. The growth of the island electric company's business is the natural result of the excellent service rendered, the care of the company in pleasing its patrons, and its attention to latest devices in using electricity for all kinds of equipment.

Koko Head Completes Long Trip. The barkentine Koko Head, 68 days out from Grays Harbor, Washington, has arrived in Manila after an uneventful trip. C. T. Larson, the master of the vessel, reports fine weather all the way over. In fact, that was the trouble, it was too fine, as a good deal of the time there was not enough wind to make any headway; but still the time of passage is not unusual for this season of the year. The Koko Head, with 1,355,000 feet of lumber, left the coast on February 7 and the chief delay was experienced in crossing the bar at Grays Harbor, which took almost a month. The fact that this was not reported is what has caused the boat to be expected for so long. After a somewhat slow trip over it took the vessel eight days to reach Manila after signaling the northern coast of Luzon. During the whole trip no other ship was sighted.

Try as you will, after an application of Danderine, you cannot find a single trace of dandruff or falling hair and your scalp will not itch, but what will please you most, will be after a few weeks' use, when you see new hair, fine and downy at first—yes—but really new hair—growing all over the scalp.

No difference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it through your hair, taking one small strand at a time. The effect is immediate and amazing—your hair will be light, fluffy and wavy and have an appearance of abundance; an incomparable lustre, softness and luxuriance, the beauty and shimmer of true hair health.

Get a 25 cent bottle of Knowlton's Danderine from any drug store or toilet counter, and prove that your hair is as pretty and soft as any—that it has been neglected or injured by careless treatment—that's all—advertisement.

TAMPICO ORDERED BLOCKADED BY HUERTA SHIPS

CITY OF MEXICO, June 4.—(Associated Press by Federal Wireless.)—Orders were issued yesterday by President Huerta for federal gunboats to establish a blockade of the port of Tampico. The action was taken to prevent the constitutionalists from receiving a shipment of arms said to be on its way to Tampico from New Orleans.

Raise Boats, Stop Opium Traffic. To prevent illegal traffic in opium, firearms, ammunition and other contraband cargo, orders have been issued by Insular Collector of Customs Herstein at Manila directing that boats belonging to foreign and American vessels in the harbor shall not be left in the water during the night, but shall be hoisted on-board the vessels to which they belong. This shall also apply to bancas or other small craft carried by lighters, barges, caissons, etc.

All launches calling at vessels in Manila harbor during night time for any purpose shall immediately pull away at least 50 feet from the gangway and there remain until necessary to go alongside if any further business has to be transacted with the vessel.

Failure to comply with these orders shall be punished with a fine not exceeding 500 pesos.
